C. Commentary

The 5pm ministerial briefing on the 75th anniversary of VE Day was led by the Environment Secretary, George Eustice, who reminded everyone of the sacrifices made by so many, including those who contributed in a non-military way to keep the UK supplied during the six years of the Second World War.

The Environment Secretary announced a £16 million fund to support food charities. This will be used by [FareShare](#) and [WRAP](#) to support frontline food charities and increase the work they already do and significantly expand their sourcing capacity. They will be delivering food to some 5,000 frontline charities including refugees, homeless shelters and rehabilitation centres.

The social distancing measures now in place to slow the spread of COVID-19 have led to both children and offenders spending significantly more time at home and online. In response to the increased risk of online exploitation and abuse the 'Five Country Governments' of Australia, Canada, New Zealand, the UK and the USA jointly launched a set of [Voluntary Principles](#) to counter online child sexual exploitation and abuse on 5 March 2020. The government has announced it has stepped up collaboration with technology companies to tackle the threat.
