**D. Commentary**

The 5pm ministerial media briefing was led by the Home Secretary, Priti Patel, who explained about the new temporary public health restrictions which are to be introduced at the UK border to avoid a second wave of COVID-19 transmission. With effect from Monday 8<sup>th</sup> June 2020, international arrivals will be required to self-isolate for 14 days - the incubation period of the virus – so that if people have become infected overseas, the spread of the virus in the UK will be limited. The temporary public health measures – which will be reviewed every three weeks – include a [list](#) of travellers who are exempt from the measures.

An open online [consultation](#) has been launched by Ofqual to determine whether there should be an additional GCSE, AS and A level exam series in autumn 2020. The closing date for the consultation is 8<sup>th</sup> June at 2345. The link to the online response page is [here](#).

The government published a collection of guidance explaining about the various [financial support](#) schemes available for voluntary, community and enterprise organisation, and how to apply for funding.
