### D. Commentary

The 5pm ministerial briefing was led by the Prime Minister, Boris Johnson, who [announced](#) further easing of the lockdown restrictions in England. The devolved administrations in Scotland, Wales and Northern Ireland are responsible for lockdown measures in those countries and will take action according to their local circumstances.

### Retail shops

In England, all retail shops will be allowed to open from Monday, 15<sup>th</sup> June 2020, providing they comply with COVID-secure guidelines.

### Household support bubbles

With effect from Saturday, 13<sup>th</sup> June 2020, single adult households – that is adults living alone or single parents with children under 18 – will be allowed to form a ‘support bubble’ with one other household. All those in a support bubble will be able to act as if they live in the same household and can spend time together inside each other’s homes and do not need to stay two metres apart.

Support bubbles must be exclusive, in that you cannot switch the household you are in a bubble with or connect with multiple households. Any member of a support bubble who develops COVID-19 symptoms, plus all members of the support bubble, will need to follow the existing advice for household isolation.

[Guidance](#) has been issued describing the support bubble concept and how it should work.

### Outdoor attractions

With effect from Monday, 15<sup>th</sup> June 2020, outdoor attractions such as zoos and safari parks (where people can stay in their cars) will be allowed to open.

### Places of worship

Places of worship will be allowed to open for individual worship from Saturday 13<sup>th</sup> June 2020.

The government’s online COVID-19 [Frequently Asked Questions](#) contains further information about the new announcements.

**5 tests for adjusting the lockdown**

- 1 Protect the NHS’s ability to cope. We must be confident that we are **able to provide sufficient critical care and specialist treatment** right across the UK.
- 2 See a **sustained and consistent fall in the daily death rates** from COVID-19 so we are confident that we have moved beyond the peak.
- 3 Reliable data from SAGE showing that **the rate of infection is decreasing to manageable levels** across the board.
- 4 Be confident that **the range of operational challenges, including testing capacity and PPE, are in hand**, with supply able to meet future demand.
- 5 Be confident that **any adjustments to the current measures will not risk a second peak of infections** that overwhelms the NHS.
